

Our Promise

IB Roof Systems, ("IBRS"), proudly warrants that, subject to the other terms, conditions and limitations below, IBRS will replace the affected portion of the IBRS membrane that fails due to a manufacturing defect. This Warranty is void unless the IBRS membrane has been or is intended to be installed as part of an IB Roof System. IBRS does not cover the cost to remove, dispose, re-install, construct, repair or maintain any product, improvement or structure except to the following limited extent: The cost to replace the failed IBRS membrane with the same design and grade of membrane on an existing appropriate substrate.

Warranty Period

This Warranty commences upon the 'Date of Completion' and will last for as long as you own the home, conditioned upon the submittal by mail of the completed Warranty Registration Form attached below and receipt of full payment of all labor and materials supplied in connection with the IB Roof System. "Lifetime" means for as long as the original owner owns the property and is alive, but if the owner is not a natural person, "Lifetime" means 15, 20, or 25 years based on material thickness installed. To transfer the remaining balance of this Warranty to a new owner, refer to Section d under the Owner's Responsibilities Section of this Warranty for the conditions of a transfer.

Owner's Responsibilities: Owner's failure to comply with the terms and conditions herein may void this Warranty.

- a. If a leak is discovered. Immediately call the original roofing installer to report the leak location and severity. If suspected to be a material defect, then call IBRS' Technical Services Department at 800-426-1626 within five (5) calendar days (120 hours) of discovery and send written notice within fourteen (14) days of discovery to Attn: Warranty Department, IB Roof Systems, 8181 Jetstar Drive Ste 150, Irving, TX 75063. Notice to the roofing installer is not notice to IBRS. Reporting a leak to IBRS is owner's authorization for IBRS to investigate, including inspection of the roof as IBRS deems necessary. Any non-IBRS supplied material or equipment that impedes investigation or repair of the IB Roof System must be removed at Owner's expense. IBRS may acknowledge and investigate Owner's notice of a potential warranty claim by issuing a warranty claim kit that requires further information from Owner. Owner must promptly provide IBRS any information reasonably requested in the warranty claim kit. If no leak covered by this Warranty is found, Owner agrees to pay an investigation fee of \$500 within sixty (60) days of invoice.
b. Emergency Repairs. After calling IBRS' Warranty Department, owner may, if necessary to minimize damage to the building or its contents, perform emergency repairs at the owner's sole expense. These repairs will not void this warranty so long as the emergency repairs were reasonable under the circumstances and do not result in permanent damage to or concealment of the IB Roof System.
c. Maintenance. Owner is responsible for reasonable general maintenance and care as outlined within our Owner's Roof Maintenance Guide such as: (i) periodic/seasonal roof inspection; (ii) removal of accumulated dirt, debris or other contaminants from roof surface and drainage outlets; and (iii) maintenance of caulks or sealants necessary to maintain the roof in a watertight condition at flashing or membrane terminations, penetrations, and metal work in and around the IB Roof System. Owner should maintain records of inspections and maintenance. See www.ibroof.com for more information.
d. Transfer. If transferred, the balance of any "Lifetime" warranty period shall be the remaining balance of the warranty based upon the original thickness of the membrane chosen for the installation (ie. 50 mil-15 Yr, 60 mil-20 Yr, and 80 mil-25 yr) from the date of the original membrane installation. Owner can transfer this Warranty to a subsequent owner for the remaining term only if (a). Owner provides thirty (30) days written notice of the change in ownership by filling out the Warranty Transfer Form located on the IBRS website, (www.ibroof.com), in the Warranty Transfer Section. (b). Owner makes any repairs to the IB Roof System or other roofing and building components that are identified by IBRS as necessary to preserve the integrity of the IB Roof System; and (c). Owner pays a transfer fee of \$250. This Warranty is not otherwise transferable by contract or operation of law.

Exclusions from Coverage. This Warranty does not cover leaks or other conditions caused by:

- a. Natural Disaster, such as gale force wind or hail, windfall or wind-blown debris, flood, tornado/micro burst, hurricane, lightning/electrical storm, fire, earthquake, or any act of God.
b. Failure of substrate under the IB Roof System, including collapse, movement, deflection, loss of insulation or R-value, excessive moisture infiltration or condensation, or failure of any portion of any underlying structure.
c. Change in use, abuse or misuse, including excessive foot traffic, staging or storage of any nature on the IB Roof System; failure of the Owner to properly maintain the roof system; or substantial change in the usage of the building without IBRS written approval. Misuse includes using any portion of the IB Roof System for any purpose other than a roof waterproofing system.
d. Alterations during or after installation, including any additions, penetrations, or substantial work performed on or through the IB Roof System that is not in compliance with IBRS specifications and installation instructions.
e. Any building component, overburden material or component, or any material other than the IB Roof System including without
